(bh) Animal Unit. One thousand (1,000) pounds live weight of livestock or poultry animals, regardless of the actual number of individual animals comprising the unit.

(bi) Animal Units/Acre. A mathematical figure representing the number of animal units per acre of crop land or land suitable for application of animal manure.

(bj) A-2 Agricultural Lot. A parcel of land twenty-five (25) or more contiguous acres within the A-2 Intensive Agriculture District used for the production, keeping or maintenance for sale, lease or personal use of plants and animals useful to man, including: mushrooms, forages and soc crops; grains and seed crops; dairy animals and dairy products, poultry and poultry products; livestock, including beef cattle, sheep, swine, horses, ponies, mules or goats of any mutations or hybrids thereof, including the breeding and grazing of any or all of such animals; bees and apiary products; fur animals; trees and forest products; fruits of all kinds, including grapes, nuts and berries; vegetables; nursery, floral, ornamental and greenhouse products; or lands devoted to a soil conservation or forestry management program.

(bk) Livestock. Equine animals, bovine animals, sheep, goats, swine and poultry commonly raised upon farms in Berks County, Pennsylvania. "Livestock" does not include dogs, cats or any type of animals which are normally considered to be exotic or wild animals.

(bl) Nursery. A type of agriculture utilizing land or greenhouses to cultivate flowers, plants, shrubs, trees and similar vegetation.

(bm) Piggery. For purposes of this Zoning Ordinance, any property which contains 1.0 animal units/acre and above, of swine. Piggeries are to be considered an Intensive Agricultural activity and are only permitted within the A-2 Intensive Agriculture District on lots that are twenty-five (25) acres or more in size."

Section 2. Subsection (c), entitled "Area Regulations for Multi-Family Residential Districts", of Section 603, entitled "Area and Height Regulations", of Article VI, entitled "R-4 Multi-Family Residential Districts", is hereby supplemented by adding thereto the following new subsection (5):

"(5) Open Space. Twenty-five percent (25%) of open space area shall be provided. Drives, parking, detention ponds or areas with slopes exceeding fifteen percent (15%) shall not be considered open space."

Section 3. Subsection (a), entitled "Multi-Family and Mobile Home Park Developments", of Section 604, entitled "Special Regulations", of Article VI, entitled "R-4 Multi-Family Residential Districts", is hereby amended in its entirety so as to hereafter read as follows:

"(a) Multi-Family and Mobile Home Park Developments.

(1) A buffer strip shall be provided along the entire perimeter of the property of which multi-family dwelling units or mobile homes are erected, of at least fifty feet (50') in width measured inward from the property line and retained in natural woods, or suitable landscaped with grass and/or ground cover, shrubs and trees. No parking or roadways, except roadways crossing at right angles to the buffer area for the purpose of providing access to the property, shall be allowed in this area. The buffer strip area shall not be considered as part of the usable open space or recreation area as required by Ordinance No. 30-1970, as amended.

(2) Streets conforming to the applicable Township ordinances and regulations may be dedicated to the Township after construction. Streets that are not dedicated to the Township and parking areas shall be constructed with a minimum of three inches (3") of bituminous concrete base course and one and one-half inches (1-1/2") of a bituminous wearing course on a stable subgrade as approved by the Township engineer.

(3) Each dwelling shall be served by an approved public water supply and approved central sewage disposal system or systems in conformity with all state, county and Township statutes, ordinances and regulations.

(4) A subdivision plan showing type of construction and the number, spacing, size and arrangement of dwelling clusters and open space must be approved by the Planning Commission and Board of Supervisors and otherwise comply with the provisions of this Ordinance before construction begins.

(5) Professional review by the Township, including legal, engineering and planning, shall be required unless specifically waived by the Board of Supervisors. All review expenses shall be paid by the applicant.

(6) Curbs and sidewalks shall be provided, if required by the Township, for the purpose of promoting pedestrian safety."

Section 4. Subsection (e), entitled "Rear Yard", of Section 703, entitled "Area and Height Regulations", of Article VII, entitled "C-1 Neighborhood Commercial Districts", is hereby amended in its entirety so as to hereafter read as follows:

"(e) Rear Yard. There shall be a rear yard on each lot, which shall be not less than fifty feet (50')."

Section 5. Subsection (a), entitled "Lot Area and Width", of Section 803, entitled "Area and Height Regulations", of Article VIII, entitled "C-2 Highway Commercial Districts", is hereby amended in its entirety so as to hereafter read as follows:

"(a) Lot Area and Width. Every lot shall have a lot area of not less than one and one-half (1-1/2) acres, and such lot shall be not less than two hundred feet (200') in width at the building line."

Section 6. Subsection (e), entitled "Rear Yard", of Section 803, entitled "Area and Height Regulations", of Article VIII, entitled "C-2 Highway Commercial Districts", is hereby amended in its entirety so as to hereafter read as follows:

"(e) Rear Yard. There shall be a rear yard on each lot, which shall be not less than fifty feet (50')."

Section 7. Article XV entitled "General Regulations" is hereby supplemented by adding thereto the following new Subsection 1519:

"Section 1519. Regulations Pertaining to Private Antennas (Except Telecommunication Antennas)"

- (a) Antenna Height. The antenna height shall not exceed eighty (80) feet above ground level, unless approved by special exception granted by the Zoning Hearing Board, in which case the antenna height shall not exceed one hundred fifty (150) feet above ground level. Among other things, when considering the special exception, the Zoning Hearing Board shall ensure that any antenna exceeding eighty (80) feet height above ground level will be constructed to ensure its ability to sustain winds of up to seventy (70) mph and gusts up to one hundred twenty five (125) mph and so that the antenna will not pose a threat to the health and safety of persons and will not pose a danger to neighboring properties.
- (b) Setbacks From Base of Antenna Support Structure. If a new antenna support structure is constructed (as opposed to mounting the antenna on an existing structure on a building), the minimum distances between the base of the support structure or any guy-wire anchors and any property line or right-of-way line shall be the largest of the following:
 - (1) Fifty percent (50%) of antenna height; or

(2) The minimum front yard setback in the underlying zoning district."

Section 8. Subparagraph (a), entitled "Procedure", of Section 1804, entitled "Amendments", of Article XVIII, entitled "Administration", is hereby amended to delete in its entirety Subparagraph (a)(3) entitled "Curative Amendments".

Section 9. Subparagraph (c), entitled "Public Hearing", of Section 1804, entitled "Amendments", of Article XVIII, entitled "Administration", is hereby amended and restated in its entirety as follows:

"(c) Public Hearing. Before voting on the enactment of an amendment, the governing body shall hold a public hearing, pursuant to public notice. In addition, if the proposed amendment involves a zoning map change, notice of said public hearing shall be conspicuously posted by the municipality at points deemed sufficient by the municipality along the tract to notify potentially interested citizens. The affected tract or area shall be posted at least one week prior to the date of the hearing.

In addition to the requirement that notice be posted above, where the proposed amendment involves a zoning map change, notice of the public hearing shall be mailed by the municipality at least thirty days prior to the date of the hearing by first class mail to the addressees to which real estate tax bills are sent for all real property located within the area being rezoned, as evidenced by tax records within the possession of the Township. The notice shall include the location, date and time of the public hearing. A good faith effort and substantial compliance shall satisfy the requirements of this section. This clause shall not apply when the rezoning constitutes a comprehensive rezoning.

If, after any public hearing held upon an amendment or change, the proposed amendment or change is changed substantially or is revised to include land previously not affected by it, the Township Supervisors shall hold another public hearing pursuant to public notice prior to voting on the amendment or change. The Township Supervisors shall vote on the proposed amendment within ninety (90) days after the last public hearing. Enactment of amendments shall be in accordance with the procedures established in the Pennsylvania Municipalities Planning Code."

Section 10. Section 1804, entitled "Amendments", of Article XVIII, entitled "Administration", is hereby amended to add a new Subsection (d) as follows:

"(d) Curative Amendments. The procedure upon curative amendments shall be as established in the Pennsylvania Municipalities Planning Code.

The Hearing shall be conducted in accordance with the Pennsylvania Municipalities Planning Code and all references therein to the Zoning Hearing Board shall, for purposes of this section be references to the Governing Body provided, however, that the deemed approval provisions of Section 908 of the Pennsylvania Municipalities Planning Code shall not apply and the provisions of Section 916.1 of the Pennsylvania Municipalities Planning Code shall control. If the Township does not accept a Landowner's Curative Amendment brought in accordance with the Pennsylvania Municipalities Planning Code and a Court subsequently rules that the challenge has merit, the Court's decision shall not result in a declaration of invalidity for the entire zoning ordinance and map, but only for those provisions which specifically relate to the Landowner's Curative Amendment and Challenge."

Section 11. Section 1900, entitled "Establishment and Membership", of Article XIX, entitled "Zoning Hearing Board", is hereby amended in its entirety so as to hereafter read as follows:

"Section 1900. Establishment and Membership. A Zoning Hearing Board, consisting of five (5) members appointed by the Supervisors for overlapping terms of five (5) years each, is established for the purpose of carrying out the functions of a Zoning Hearing Board as provided by law. Members of the Board shall be residents of the Township."

Section 12. Section 1902, entitled "Hearings", of Article XIX, entitled "Zoning Hearing Board", is hereby amended and restated in its entirety as follows:

"Section 1902. Hearings. The Board shall meet as needed to hear and consider all such matters which shall properly come before it. All such meetings shall be open to the public.

The first hearing shall be commenced within sixty (60) days from the date of the applicant's request, unless the applicant has agreed in writing to an extension of time. Each subsequent hearing shall be held within 45 days of the prior hearing, unless otherwise agreed to by the applicant. Any party aggrieved by the schedule or progress of the hearings may apply to the Court of Common Pleas for judicial relief. The hearing shall be completed no later than one hundred (100) days after the completion of the applicant's case in chief, unless extended for good cause upon application to the Court of Common Pleas."

Section 13. The Zoning Ordinance is hereby supplemented by adding thereto the following new Article XXI:

"ARTICLE XXI. A-2 INTENSIVE AGRICULTURE DISTRICT

(1) The area within which small domestic animals are kept shall be enclosed by a fence designed for containment.

(2) Such fence shall be at least ten feet (10') from any lot line and not closer than fifty feet (50') to the nearest dwelling other than that of the owner.

(3) The area within which small domestic animals are maintained shall be kept in a suitable grass cover and shall not be allowed to degrade to an erodible condition.

(4) The owner of the small domestic animals shall exercise suitable control over the animals and shall not allow a nuisance condition to be created in terms of excessive noise, dirt or odor.

(f) Certain large domestic animal operations are permitted provided the following conditions are met. For purposes of this Subsection, large domestic animals shall include animals of the bovine, equine, swine and sheep families.

(1) The area within which large domestic animals are kept shall be enclosed by a fence designed for containment.

(2) No building, corral, fence or stable shall be closer than one hundred feet (100') to the nearest dwelling other than that of the owner.

(3) The area within which large domestic animals are maintained shall be kept in a suitable grass cover of at least two (2) acres in area and shall not be allowed to degrade to an erodible condition.

(4) The owner of the large domestic animals shall exercise suitable control over the animals and shall not allow a nuisance condition to be created in terms of excessive noise, dirt or odor.

(g) Large and small domestic animal operations are permitted in accordance with the following table:

<u>No. of Acres</u>	<u>Animal Units Per Acre (1 Animal Unit = 1,000 Lbs.)</u>
More than 1 but less than 10	0.5 (500 lbs./acre)
10 but less than 25	1.0 (1,000 lbs./acre)
25 but less than 100	1.5 (1,500 lbs./acre)
More than 100	2.0 (2,000 lbs./acre)

(h) Any combination of large and/or small domestic operations except as noted below are permitted, but in no instance shall any combination exceed the animal units/acre in the chart in Subsection (g) above. The standard weight for each type animal and the method of calculating animal units shall be in accordance with 25 PA. Code Subchapter 83.262 as most recently amended, or such other statutory or regulatory provisions issued by the Commonwealth of Pennsylvania from time to time.

The animal units/acre are permitted if all other criteria of this Section are met.

(i) Any concentration of swine equal to or greater than 1,000 lbs/acre shall be considered an intensive agricultural use and is not permitted in the A, R-1, R-2, R-3, L-1, L-2, L-3 and OS Zoning Districts.

(j) All large and small domestic animal operations are subject to Article XIV, Flood Plain Controls; all other sections of this Zoning Ordinance

as applicable; any and all ordinances adopted by the Township; and all county, state and federal regulations as they apply to these operations.

(k) All areas utilized for grazing purposes shall be completely fenced in.

(l) No slaughter area, spent mushroom compost storage area, manure storage area, or structure designed or designated for the raising of pigs shall be established closer than one hundred feet (100') to any lot line.

(m) Any building erected for agricultural uses in the A, R-1, R-2, R-2, L-1, L-2, L-3 and OS Zoning Districts must meet all the setback requirements of the respective Zoning Districts as well as any other setback requirement set forth in this Ordinance.

Section 15. Section 1600, entitled "Required Off-Street Parking Space", of Article XVI, entitled "Off-Street Parking and Loading", is hereby supplemented by adding thereto the following new Subsection (j):

"(j) Warehousing. Three (3) parking spaces for every four (4) employees on the two (2) major shifts plus one (1) space for each company vehicle normally stored on the premises."

Section 16. Subsection (c), entitled "Surface", of Section 1602, entitled "Area and Design Standards and Other General Requirements Relating to Parking and Loading Spaces", of Article XVI, entitled "Off-Street Parking and Loading", is hereby amended in its entirety so as to hereafter read as follows:

"(c) Except for farms and residences, all driveways, parking areas and loading spaces shall be paved with a minimum of three inches (3") of a bituminous concrete base course and one and one-half inches (1-1/2") of a bituminous wearing course on a stable subgrade as approved by the Township engineer."

Section 17. The Tilden Township Zoning Map is hereby amended as set forth on Exhibit "A" attached hereto and made a part hereof.

Section 18. All ordinances or parts of ordinances inconsistent with this ordinance are hereby repealed, insofar but only insofar as the same are inconsistent herewith.

Section 19. Except to the extent to which this Ordinance amends the Zoning Ordinance and Zoning Map, the Zoning Ordinance and Zoning Map shall remain in full force and effect and are hereby ratified and reaffirmed.

Section 20. If any sentence, clause, section or part of this Ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses,

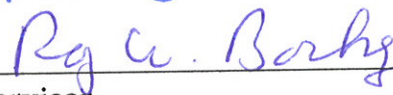

sections or parts of this ordinance. It is hereby declared as the intent of the Supervisors of the Township of Tilden that this Ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included herein.

Section 21. This Ordinance shall become effective five (5) days following the date of adoption.
